

Central Community Health Partnership

Behavioral Health and Human Services

Central Community Health Partnership (CCHP) is a program of Open Sky Community Services. We partner with AdCare Hospital, Venture Community Services, Elder Services of Worcester Area and the Center for Living and Working. Our partners have come together to serve you with MassHealth funded care coordination services. Our team includes licensed clinical care managers, registered nurses and care coordinators – all working together to help providers and patients like you.

Are you eligible for services?

Behavioral Health Community Partner (BH-CP) Services Eligibility

MassHealth members between the ages of 18 and 64 may be eligible for BH CP Services if they have one or more of the following:

- Behavioral Health or Substance Use Recovery Needs
- Multiple medical health conditions in addition to behavioral health needs
- Have Department of Mental Health (DMH) involvement
- Have ACO (Accountable Care Organization)/MCO (Managed Care Organization) involvement or ACCS (Adult Community Clinical Services) involvement

LTSS Community Partner (LTSS-CP) Services Eligibility

MassHealth members connected with an ACO (Accountable Care Organization) or MCO (Managed Care Organization) between the ages of 3 and 64 may be eligible for LTSS services if they one or more of the following:

- Traumatic brain injury or cognitive impairment
- Physical disability
- Intellectual or developmental disability, including Autism

The goal is to help you have good health, wellness and recovery.

These services are free of charge to you, because they are included in your MassHealth benefits.
